

Fall/Winter 2021

A MESSAGE FROM THE PRESIDENT

Dear Friends of Holy Angels,

I am proud to be able to share with you the 2020-21 Annual Report of support for Academy of Holy Angels. For the 11th year in a row, we have presented and completed a budget process that has shown tremendous fiscal responsibility and success for our institution. This report includes a total revenue number that exceeds our operating expenses by nearly \$150,000 during a year that included a down cycle in auxiliary services such as our dome and other COVID-19 related factors. I could not be more proud of our gifted and dedicated faculty and staff members who embraced practices and reimagined steps to ensure our financial success as an institution.

The fiscal management of the School's operation begins with each teacher and staff member who oversee their classroom and office needs, appropriately budget and hold themselves accountable to an overall financial plan. David Devine, our CFO, orchestrates the functions of our finance, facilities, endowment, and audit committees. All of our Board of Trustee committees consist of not only trustees but other dedicated volunteers who bring their expertise to the committees in an ex-officio capacity. The system innately provides for a series of checks and balances which lead to our full annual audit that is now provided by the accounting firm of Boyum & Barendscheer, PLLP.

During my eleven years as president, I have witnessed the financial changes and growth of AHA as it holds on to its core values and traditions, while transforming in order to meet its potential. In the years ahead, as part of a new strategic planning process, we will see debt diminish and endowment grow. I am grateful for the generosity of donors who have helped transform the school and made so many new enhancements possible. Our work is not done yet! We all have the power to impact this beautiful School through the investments of our work, our wealth, and our wisdom.

I am both humbled and honored to report this statement of financial stability. The School has been able to reach its potential because of your past commitment, and it can also have its vision met in the days ahead because of your continued support.

With sincere gratitude,

Tom Shipley, President

THANK YOU, PRESIDENT'S STAR COUNCIL MEMBERS

The President's Star Council (PSC) is the AHA major annual giving recognition society. The PSC recognizes donors who have contributed \$1,000 or more during the 2020-21 school year. The PSC and its 400 members donate 90% of the contributed funds AHA receives each year. We are grateful for their support.

The PSC Members for the 2020-21 fiscal year were:
